Ms Surrrette, I am a party to the above referenced action. I have been led to believe that Justice Hood has committed to delivering an oral decision this morning from the damages hearing which occurred in Yarmouth on January 30 involving me. I was not noticed about this hearing but I was also not noticed in similar proceedings before Judge Pierre Muise so I am used to getting information about legal proceedings involving my investigative blog second hand. As a party, I am hoping that you would call me immediately upon the rendering of the decision. My telephone number and email are below. Thank you for your consideration.
